

## An Lester Trumach - The Packet Ship

Dear Parents and Carers,

The children all looked absolutely amazing last week on **World Book Day**. Thank you all so much for the joy and effort that you put in to supporting your children! They had a day of reading related activity; exploring the joy of stories and characters. The quietest time in a primary school day is when the class are listening to a story, it is a truly magical moment where each child has their own thoughts and vision in their head. We have been reflecting this week about being your own best friend and taking time on your own to stop and think, even if it's about nothing. With busy school days, screens and activities it is easy to forget the wonderful moments you need where peace, quiet and calm allow you to day dream and grow.
