

An Lester Trumach - The Packet Ship

Dear Parents and Carers,

What a difference a blue sky makes! After a rainless weekend the children have come in bubbly and super ready to learn. This week you will receive a copy of your child's **Curriculum Information** sheet, with details about the learning taking place across all subjects and ways that you can support learning at home. The wonderful illustrations give an overview showing clues, hidden places and quotes from books linked to the learning taking place so please put it up on display at home so you can refer to it to prompt your child when talking about their time in school. We hope you enjoy unpicking the clues as the term progresses!

Start of the School Day

Please can children arrive in school between 8.30-8.45am. Once the 8.45am bell goes, learning gets off to a flying start and, in order to make children feel settled, it is important that they are ready with their peers. Please make sure if your child is having a school lunch, to book this in advance at home as choosing in the mornings eats into their learning time. Many thanks to families for continuing to walk or cycle up Ferndale Road. The quieter the traffic on Ferndale Road, the safer the children coming to and from school.

Wrap Club

Plymouth Argyle are providing Breakfast Club and Wrap Club every school day which can be booked through this link: [Booking Link](#)
