

Residential Y4

In Y4 we have a trip. This is to get prepared for Paris in Y6. How many nights you stay and

Paris trip Y6

Apple Day

Apple Day is an event to raise money. As you can tell, there are a LOT of apples involved!

Events

Sports day

We usually have sports day in June. It's a fun event that most schools have.

Marlborough 50!

The event 'Marlborough 50' was the birthday for Marlborough School. It was 50 years old. We had the event at

our school field! It was a bit like a mini fair with ice cream and different stalls.

what you do & activities. My Year group went to the Eden project since we had boxes for night - so fun!

Fun Fact

- Here's a list of what we did in Paris:
- Musee D'orsay
 - Mon Marce
 - eiffel tower
 - parc Asterix

When you get to Y6. You get the chance to go to PARIS! You take the ferry from Dover to Calais and stay there for about 1 week.

Personal memories

I remember when we were in year 0, and Mrs Stevens made ice cream with everybody. It was very nice.

Daya day

In year 3, a lady called Daya came. She taught us all about India and we looked at the curry and messal.

Harbour lights

When we went to harbour lights, a marine biologist called Jo came to tell us all about sustainable fish and we played

Water Sports!

THE KITCHEN

Our lunchtime food is

A-M-A-Z-I-N-G! It is really tasty. Our cook, Jess, is a really good cook and she is also really nice at the same time!

She released a cook book called 'Feed' with all her wonderful recipes in it.

A lot of children helped with the cook book, doing stuff from Drawing to helping with photography!
