2023-2024

Number 22

Wednesday 6th March
2024

Dear Parents and Carers,

We have had a wonderfully productive start to the half term. Our PSHE focus is **Healthy Me** and the children have been exploring making positive choices and the effect of these on their wellbeing. Something that our children do really well is think, and they use the six Rs to make their independent choices. Responsibility, readiness, resourcefulness, resilience, reflection and relationships help them choose to be kind, hardworking and well behaved; sometimes with adults helping them along the way! Thank you to you and our staff for guiding our children to make positive choices and make Marlborough School such a great place to be.

♪ Neighbours, Everybody Needs Good Neighbours ♪

We are really lucky in the fact that we have a small catchment area and therefore most people are able to start their day with a walk, scoot or cycle to school. If you are driving, please be considerate when dropping and collecting children. We ask that our school community park on Silverdale Road and walk up the hill to school, to avoid congestion of Ferndale Road and to keep everyone safe. Many thanks.
