## An Lester Trumach - The Packet Ship

Dear Parents and Carers,

We have had some exciting visitors in for **National Storytelling Week**, sharing wonderful tales with children across the school. We aim to instill a love of reading and the process of enjoying books, learning to read and then being able to read and understand them yourself is a magical process that we sometimes take for granted! How amazing is that words on a page can create images in your mind?! We share quality books with children, selected carefully for their age and learning focus. We want children to learn to read with quality resources and therefore our Sponsored Cycle this year is raising money to support our reading provision. **Ride to Read** is the tagline! Children will be bringing home sponsorship forms this week.

### Learning Out and About and in School

**Staffing Update** – Kerry Finnegan is off on her Australian adventure from Friday. She will be back in school after the Easter holidays. We all wish Kerry the best of times, whilst also being incredibly envious!

**Lost Property** – We have a MOUNTAIN of lost property. If it is dry on Friday 10<sup>th</sup>, we will set it out before and after school. Please label your child's uniform so it doesn't end up in the pile of doom.

**Reading Books** – Please can any school reading books be returned once read. Our reading books in Classes 1 and 2 also serve as guided reading books, so a lost copy results in children having to share when developing their independent reading.

### Mariners' Update

The Mariners are busy organising the **Sponsored Cycle Ride**. If you able to help in any way please let the Mariners know either at the meeting or by emailing [mariners@marlborough.cornwall.sh.uk](mailto:mariners@marlborough.cornwall.sh.uk)

## Industrial Action

Many thanks for your messages of support towards the Industrial Action our staff are choosing to take to support the education of our children. Below is a message from the National Education Union.

# A message to parents and carers

# Why are teachers going on strike?

TEACHERS WHO ARE members of the National Education Union (NEU) will be taking national strike action on Wednesday 1st February.

We do not want to strike, but the government have given us no choice. We are striking for education and we hope you will support us, despite the inconvenience it will cause.

**We are taking strike action because we are concerned that cuts to teachers' pay, and lack of funding for schools, are causing a crisis in education.**

- *The value of teachers and support staff pay has fallen by 20% since 2010.*
- *This has caused a crisis in recruitment and retention.*
- *More teachers, and school leaders, than ever are leaving their jobs and*

*the government cannot recruit enough teachers to replace them.*

- *Funding for schools has not kept in line with rising costs.*
- *This means that:*
  - *many schools face difficulties finding the teachers they need;*
  - *SEND children are not getting the support they need;*
  - *Schools are spending less on important equipment and resources;*
  - *schools are cutting back on extra-curricular clubs and classes.*

**This cannot go on, for the sake of education the government must change its policy on pay and funding.**

We have tried talking to the government - we have provided evidence about this crisis to them year after year, but they have ignored our warnings.

That is why we have reluctantly made the decision to take strike action.

We are calling on the government to increase pay for teachers and support staff, but they must also increase funding for schools.

## We are asking parents and carers to:

- **support** our strike action and our campaign to boost funding for education.
- **talk** to teachers at your child's school to find out more about our campaign and how you can support us.
- **contact** your MP and local councillors and tell them that you support NEU members taking strike action.
