An Lester Trumach - The Packet Ship

17 October 2016

Dear Parents

Oyster Festival

The Grand Oyster Parade was a relatively quiet affair this year, but it was good to see the children joining in the celebration supported by parents. Thank you to everyone who helped us on the walk down to the town or who lined the street to cheer us on. Marlborough sent twelve dancers to the opening ceremony and were

represented by Zeno and Hester, our 2016 food ambassadors, who were interviewed and served dishes of mackerel and oysters. Schools' involvement in the Oyster Festival and the experiences of cooking alongside professional chefs have been instrumental in broadening children's understanding and enjoyment of food. A few years ago it would have been difficult to imagine 12 children sitting down at a guest table to sample such 'exotic' dishes with such confidence. Our own kitchen service reflects this and the governors have sent a letter home today regarding our food policy. A copy is attached with this newsletter.

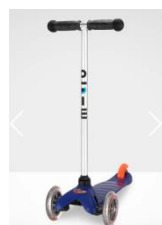

Netball

Last Wednesday netball club took a group of 8 girls up to Falmouth School to take part in the netball league. Due to the rain we had to play indoors and played two longer halves rather than the usual shorter quarters. Our all girl team of year 5 and 6's played with great enthusiasm against a mixed team from Falmouth Primary. Casy and Eva from y5 made their debut in the first half playing with Mia, Lottie and Emily from y6 and got to half time with Falmouth leading just 2 goals to our zero. In the second half Lottie and Mia stayed on to shoot and Jay made a debut having just started netball this term. Ruby and Hester completed the team and the girls scored 3 goals. They defended well stopping Falmouth scoring. So, our first win this season takes the team to a mid-table position. Everyone had a great time and behaved in a way that was a credit to Marlborough.

Lost and Found

Lost property is *splurging* out across the stairwell! Please take a look through there is uniform – some named, packed lunch boxes, bottles etc. Any uniform not claimed by half term will be washed and placed on the uniform rail for re-sale.

Inigo's scooter disappeared from the back of the school last term. It was like the one shown left, except that the orange brake at the back had come off. If you have seen it please let the school office know.

eSchools – our website, log-in area and booking for Parents' Consultation meetings

You will remember that we gave all parents an eSchools login last April and hope you have found the platform useful and informative. We have now added the 'Parents Evening' booking facility which will enable parents to log on and book a meeting with their child's teacher. The consultation meetings are taking place during the week after half term. Please log in at <http://www.marlborough.cornwall.sch.uk> or use your eSchools app if already downloaded. If you have forgotten your log in details please let the school office know. We will also shortly be implementing the 'ePay' facility through eSchools for parents who wish to pay for school trips, clubs and dinners with their credit card or via paypal. Parents of new admissions such as reception class will receive their log in details this week.
