

An Lester Trumach - The Packet Ship

Dear Parents and Carers,

All classes have now been out and about, working together as a team. KS2 classes all had sessions at Swanpool Beach taking part in a range of amazing activities, Class 1 have been out exploring Prislow Woods and had an Adventure Club session on the school field and Class 2 have been exploring Kimberley Park in preparation for their research project. It is always wonderful to make the most of the Cornish September sunshine before the autumn kicks in fully! Whether they have been on the beach, at Eden, in the woods, at the Art Gallery, at Kimberley Park or in school our Marlborough children are tackling the new school year with optimism, kindness and by displaying their Marlborough Manners. A great start!

Curriculum Enhancement

When children talk about what they love about Marlborough School, they often pick out the bits that are the extra elements. We love bringing learning to life and we see the positive impact this has on developing pupils' knowledge and understanding across a range of contexts. The official title for this is *Cultural Capital*, which means all the experiences that make learning great! A while ago, we asked families to contribute ideas for skills and experiences you think children should gain. We spread these out across the seven years of school to make our '42 Things...' document. According to *The Hitch Hikers Guide to the Galaxy* '42' is the answer to the life, the universe and everything!

Mariners' Meeting!!

Hello All,

We hope you are settling into the new school year. We will be having our first meeting on ***Thursday 26th @7.30pm in The Palacio Lounge.***

All parents are welcome to come along to help us think about ways we can support the school and organise some fun events for the children (and grown-ups!), whilst enjoying a drink and a chat!

Look forward to seeing you.

Attendance and Punctuality this week!

Class 4 have Baloo after achieving nearly 100% attendance.

Class 3 have Bagheera as they have all been ready to learn first thing in the morning.

Attendance Update

Two other changes to attendance policies are that we now need specific information when you call in to report that your child is unable to attend school; please include this when leaving a voice mail. Also, please phone each day that your child is not in school to report your child absent. Many thanks.

Parking and Car Park Access

It has been wonderful to see so many children walking, scooting and cycling to school! As a school community we try to make Ferndale Road as car-free as possible to ensure the road is safe for pedestrians and cyclists. If you are driving to school, please park on Silverdale Road and walk up the hill to school.

For access purposes, we need to use the school car park at the beginning and end of the day so please avoid blocking the drive way entrance. Many thanks for your help with this.
