Dear Parents and Carers,

As we come to the end of a brilliant **Spring Term** it is good to reflect upon the progress that has been made by the children. Hopefully, you have managed to see a range of your child's learning at the class outcome. We have had a focus on handwriting and the difference between some children's writing in September and now is astounding! That is an easy aspect to see the progress in, but there are so many ways that each child has progressed. We celebrate all progress and attitudes towards learning at Marlborough and the children really love receiving certificates for all aspects of their development. We are very proud of all of them! We hope you have a lovely Easter break with your children, and we look forward to seeing you back in school on **Tuesday the 16th of April**, ready for an amazing Summer Term!

Thanks to the Marlborough Crew

Our Marlborough staff team have been amazing this term, as always! Due to many reasons, there hasn't been a day this term where we have had the whole team in and that means others have had to cover roles. Everyone has pitched in and made it a great term, with the focus always being on the children's wellbeing and learning. There are many reasons why Marlborough School is wonderful, but the staff team are 39 of the brilliant reasons!

Time to spare?

Do you have time to spare to support learning at school? Some volunteers come in one day a week from drop off until 9am to hear readers and this role is invaluable. If you have any time during the week to help please speak to Olivia in the office, who can set you up with an online DBS safeguarding check and then we can meet and allocate you a class to support.
