Marlborough Kitchen – Have your say.

We are incredibly lucky to have our own on-site **Marlborough Kitchen**. We know that our children are being provided with healthy lunch options, made from quality ingredients and getting value for money. In order to keep our kitchen financially stable, we need customers! What do your children think about our menu? What are their favourites? What would encourage more juniors to have regular school dinners? We have sent out a survey to enable us to make lunches. Please complete it with your child so we can make sure we provide food for all. Many thanks.

Mariners' Christmas Events

The Mariners are getting ready for Christmas with these events and activities;

- ❖ Your child has created a **Christmas picture** in school and this can be added to Christmas cards, key rings, tea towels and more! Place any orders through the website and the orders will be delivered straight to your home address. Any orders made, will raise money for school funds. Many thanks.

Wreath workshop

The Mariners hosted a wreath workshop on Monday evening for parents and the wider school community. It was a lovely relaxing evening and some stunning wreaths were created. The smells of pine, francincense and mulled wine were very festive as they wafted through the hall!

We have opened up 2 extra spaces for the Wreath workshop next Monday 5th December. Please click on this link to book. <https://bookwhen.com/cscape#focus=ev-sh3w-20221205180000>

The workshops are hosted by Sam Shears from Flower and Field, who worked as a TA at Marlborough for many years, and was one of the founders of the original Mariners Parent group.
