An Lester Trumach - The Packet Ship

Dear Parents

It was great to see class 1's excitement to take part in the new Fab Friday cycle which is now well and truly under way. All the teachers are involved every week now, and in his centenary year, we've focussed the activities on a celebration of the stories of Roald Dahl. Continuing this theme, we'll be ready when the book fair arrives in school later this week! The Scholastic shop will open in the hall after school on Thursday, and there will be early morning and afternoon times for the following week. We would like to ask the children to come dressed as one of their favourite characters next Monday 21st November. There will be a voluntary £1 voluntary 'fine' in aid of the Community defibrillator fund.

The book fair is an annual event that heralds the seasonal preparations. We have been able to book an exciting Pantomime for the children to be held on Monday 5th December and following this, they will look forward to putting on a treat for you! Christmas-time can be very tiring for the little ones in school, but we would also like as many parents and other family members to enjoy the celebrations at Marlborough, so this year we're trying a new idea of putting on an evening show of the infant presentation on Wednesday, 7th December at 18:00 and an afternoon one on Friday 9th at 14:00. There should also be some places available at the dress rehearsal showing on the Wednesday afternoon – this is when the older children get to see the show, so do please try to make arrangements for them at the out of school-time showings to leave spaces for the wider family.

The juniors' presentations will be held the following week at 18:00 on Tuesday and Wednesday evenings.

To be sure of your photograph orders, please return completed requests to the school office by this Friday 18th November

Sports Results

Netball St Marys B 4-4 Marlborough
Football Mabe 1-1 Marlborough
King Charles 2-0 Marlborough

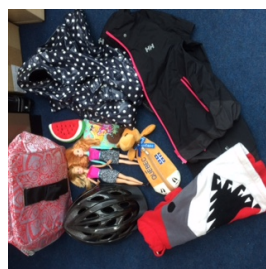

More hard fought games, with both netballers and footballers securing drawn matches last week. In fact, in wet and windy conditions, the football team were leading their first game until the last moments when a corner swung directly into the goal. They had given King Charles a two goals head-start by the break, but played their hearts out to 'tie' the second half.

Data Collection and consent forms are being sent home with children this week. Please complete and return these to school by Wednesday 23 November.

Thank you.
