An Lester Trumach - The Packet Ship

Dear Parents and Carers,

This newsletter is one containing massive thanks at the end of a busy and brilliant term! HUGE THANKS to the **children**, who did incredibly well performing their version of the nativity story and for such amazing acapella singing and performance poetry at last night's Christmas concert - they were incredible! It is in times of difficulty that people show their true resilience, and our confident bunch did exactly that - ploughing on despite technical difficulties and cast changes. Thank you so much to the **teaching team** for surrounding the children with positivity and high expectations, ensuring that they find the best in themselves. Thanks to **Will, Marie and Amanda** for making sure our school is safe and clean. Thanks to the **kitchen team** for working through a term of change and delivering delicious lunches every day. Thanks to **Kieran and Olivia** in the office for keeping the school organised. And many thanks to you, our **friends and families**, who support us in our, sometimes crazy, delivery of education. We hope you have a wonderful time celebrating Christmas with your fantastic children and we look forward to seeing you in the new year.

Staffing update

Emma Richardson will be joining the Class 2 team in January. Emma is completing her teacher training both at Marlborough and King Charles and will be with us for a term. She will be supported by Hannah Bridges during her training.

Mariners' Update

The Mariners would like to say a huge thank you to everyone who has given so generously over the past few weeks as part of the various Mariner fundraising activities - whether that was buying a mince pie or a raffle ticket, donating or stocking up on second hand toys, attending a Christmas wreath workshop, donating a raffle prize, giving up time to help out at an event, baking a cake, buying aforementioned cake, forwarding on a message of support, donating to the crowdfunder, or just sending good vibes - every action and donation, whether small or large, counts. They say it takes a village to raise a child, and the sense of community and 'village' that is created through the wonderful community of parents and friends that support the school and nurture our children is really rather special. Thank you!

The Theatre ticket crowdfunder raised £670 (+ an estimated £143.75 in gift aid), the Festive fundraiser raised £750, the Christmas Art sales raised £242.47 and the wreath workshops raised £250. So all in all it has been a tremendous effort all round, many mince pies have been enjoyed, and every penny will go directly to supporting inspirational activities and curriculum enhancement for the children at Marlborough School. Thank you one and all!

If anyone missed out and still wanted to donate to the Crowdfunder, you can always send a donation directly to the Mariners bank account.
