Dear Parents and Carers,

The stage is up, our younger children are practising for their nativity play and the tree is in place ready for decorations. Many thanks to our amazing caretaker, Will, who has been busy putting the stage and tree up in the hall. Also, thanks to [Makers Cornwall](#), who donated their splendid tree to our school after their Christmas Fair. The Mariners are busy planning events and fundraising opportunities: **Christmas Gifts** with the children's artwork; a **Festive Fundraiser** which will include craft stalls, preloved sale, refreshments and a Christmas jumper swap shop; and a **Wreath Making Workshop** (which only has 2 spaces left!) Marlborough Kitchen – Have your say.

We are incredibly lucky to have our own on-site **Marlborough Kitchen**. We know that our children are being provided with healthy lunch options, made from quality ingredients and getting value for money. In order to keep our kitchen financially stable, we need customers! What do your children think about our menu? What are their favourites? What would encourage more juniors to have regular school dinners? We will be sending out a survey to enable us to make lunches for everyone. Please complete it with your child so we can make sure we provide food for all. Many thanks.
