

## An Lester Trumach - The Packet Ship

Dear Parents and Carers,

This week has been another great week at school with the teaching team making sure that **Every Day Counts**. The last thing the teachers want to do is to deprive the children of a day at school but the government funding issue is too big to ignore and therefore some of our teachers have decided to strike in line with their Union. They are not taking strike action due to teachers' pay, they are taking strike action because school budgets are not able to support the payment of staff, resources and the extra provision that we know is vital for children to make progress and thrive.

**Please note that Marlborough School will be closed on Wednesday 1<sup>st</sup> February.**

### Industrial Action – Wednesday 1<sup>st</sup> February

- School will be open for vulnerable pupils. Pupils may not be working with their class teacher and the learning and activities will be out of their normal year group curriculum. A list of categories for vulnerable pupils is at the end of this newsletter.
- Children who are in receipt of Free School Meals (not Universal Infant free School Meals) will be able to book a packed lunch to be collected from our kitchen between 11.30am and 12.30pm.
- If you would like to book a childcare place or a Free School Meal please inform Olivia in the office.

Open to every child at Marlborough School to cycle, scooter or walk around the rugby pitch, and taking place between 2:15pm – 5pm, hopefully with a cake stall and raffle! *This year the Marlborough Mariners are particularly raising money to restock the school library, as well as for other curriculum enhancement activities.*

- have an education, health and care (EHC) plan

- have been identified as otherwise vulnerable by educational providers or local authorities (including children's social care services), and who could therefore benefit from continued full-time attendance.

This might include:

- o children and young people on the edge of receiving support from children's social care services or in the process of being referred to children's services or who have previously received support from children's social care services (as identified by local authorities)

- o adopted children or children on a special guardianship order

- o those at risk of becoming NEET ('not in employment, education or training')

- o those living in temporary accommodation

- o those who are young carers

- o those who may have difficulty engaging with remote education at home (for example due to a lack of devices or quiet space to study)

- o care leavers

- o children and young people in a family circumstance presenting challenges for them, such as drug and alcohol misuse, parental offending, adult mental health issues and domestic abuse

- o others at the provider and local authority's discretion including pupils and students who need to attend to receive support or manage risks to their mental health.
