

An Lester Trumach - The Packet Ship

2023-2024

Number 06

Wednesday 11th

October 2023

Dear Parents and Carers,

As you will have seen, the fence project started on Monday. The Local Authority have assessed that we need a new fence due to rotting wood, safety of the school grounds and security both during school times and outside of school times. They are fully funding the project. The fence going up will have a bit of an industrial feel to it to start with but after we have planted beautiful plants and thought of lovely art projects, it will feel more natural and homely. Another bonus of having the new fencing is that we can increase the play space for children. While the fence is being constructed, temporary fencing will be in place which will restrict play space for a couple of weeks. Thank you for being understanding and adaptable during these changes.
